Orders by e-mail no later than July 31, 2025.

Note: Exhibitors are not allowed to bring their own tents to the exhibition area. Any fixed structures are subject to the Organiser's prior approval.

4. Registration- and media fee

The Exhibitors will not be charged separately for having their names and exhibited products mentioned in the exhibition catalogue printed by the Organiser; the fee is included in the registration- and media fee.

The registration- and media fee is EUR 120.00 until 6 January 2025 and EUR 180.00 from 1 March to 31 March 2025 and EUR 200.00 for any subsequent registrations.

All registration fees are non-refundable.

5. Booking of exhibition stands and moorings

Exhibitor registering and the exhibition space reservation is made by filling in the registration form on the website <https://ilmoittaudu.uiva.fi/>

NOTE! Registrations or exhibition space reservations are **not accepted** by email, text message or by phone.

The official registration date is determined by the date on which the Exhibitor has saved their registration into the registration system at the <https://ilmoittaudu.uiva.fi/> page.

A booking confirmed by the Organiser upon invoicing constitutes an agreement on the booking of the relevant exhibition stands/moorings as well as the related booking fees and is binding to both parties. By registering, the Exhibitor undertakes to comply with these Terms of Participation.

Exhibitors may not sublet or transfer their stand or any part thereof to a third party without the Organiser's prior written approval. The Organiser has the right to reject the registration.

6. Sub-exhibitor

A sub-exhibitor can be, for example, a manufacturer's reseller or a partner company (or other partner organization) of a company that has already registered for the Exhibition. If you are unsure whether you are fit to be a sub-exhibitor or want more information, send mail to: uiva@finnboat.fi.

Sub-exhibitors pay for their participation only the registration- and media fee, which guarantees visibility in the exhibition catalogue, one identity card, the possibility to order an exhibitor's parking permit and customer invitations.

7. Payment of booking costs

Exhibitors must pay their booking costs for tents and open land spaces by 30 June 2025, and for the moorings by 17 July 2025 to participate in the Exhibition.

Booking costs will be invoiced in full in advance. If the Exhibitor has not paid the rent by the due date, the Organiser has the right to make the reserved space available to others without notice.

8. Cancellation of participation

Exhibitors have the right to cancel their participation **in writing**.

For any bookings cancelled by 30 May, the Organiser will charge the exhibitor for 25% of all expenses arising from orders placed to the Organiser by the Exhibitor. For any bookings cancelled by 30 June, the Organiser will charge the exhibitor for 50% of all expenses arising from orders placed to the Organiser by the Exhibitor. For any bookings cancelled on or after 1 July, the Organiser will charge the Exhibitor for the full amount of the expenses arising from orders placed to the Organiser by the Exhibitor.

The Registration- and media fee must always be paid in full accordance with *Paragraph 4 Registration- and media fee*.

9. Non-cancellation of participation

Failure to pay the booking costs or not showing up at the Exhibition is not a valid cancellation.

If the Exhibitor has not exercised their written right of cancellation mentioned in section 8 of these Terms of Participation and fails to appear at the Exhibition, the Organiser will collect all costs incurred by the Exhibitor in full.

10. Exhibitors and products

The Exhibition is open for new products available for sale or made to order on a professional basis as well as for those who offer services for boaters. The Exhibition is open for boat builders and boating product manufacturers, their authorised representatives and industry-related authorities, associations, and publications.

Only products approved in advance by the Organiser may be exhibited. The Organiser reserves the right to reject registrations to the event submitted by Exhibitors. If necessary, the Exhibitor will confirm the suitability of their products for the Exhibition in writing in advance before filling in the registration form.

No products may be removed from the moorings or stands during the Exhibition.

NOTE! The Organiser will not accept too many alike or similar products and/or companies to the Uiva Restaurant world but at the same time do not grant exclusivities to any service provider.

11. Show boats

The boats presented at the show must be new or in equivalent condition if they have already been handed over to the 1st customer. Show boats must be clean and kept clean throughout the show.

Every boat must have a display plate. The plate must be kept in the boat and not on the pier. The Exhibitors themselves must attach the display plate to each boat.

Exhibition boats must not be taken out of berths during the Exhibition (excl. the test sailings and drives).

12. Advertisements and distribution of brochures

Distributing flyers, brochures, flyers, etc. in the Exhibition area outside the company's own stand is strictly prohibited. Large outdoor advertisements, roll-ups and flags / pennants may be affixed to your own stand, but may not be affixed to fixed pier structures, tent structures or concrete weights.

Adverts on piers must not block the passage of persons nor may they in any way disturb or cover neighboring exhibition stands.

The Exhibitor ensures the fire and weather safety, as well as the correct attachment of the banners, roll-ups, etc. used in their exhibition stand.

The Organiser has the right to remove advertisements and brochures that it considers dangerous or harmful.

13. Placement of stands and boats

Allocation of stands, berths and sales places begins 1.4.2025 and the space confirmations are sent during June.

The placement decisions are made considering, as well as possible, the Exhibitor's wishes regarding the location of the stand, size of stand, time of reservation, duration of the Exhibitor's customer relationship with the Organiser and suitability of the stand and the products for a given section of the exhibition area.

Street food sales spaces are allocated in the order of arrival of the service providers (so-called first come, first served principle). The placement of smaller service providers (eg ice cream vendor, coffee shop) is done in the order of registration.

The Organiser will determine the ultimate location of the boats/stands/sales places.

The Organiser reserves the right to limit the number and size of exhibition boats registered by the Exhibitor and the size of the exhibition tent/stand due to possible space constraints.

14. Exhibiting, set-up and dismantling of stands

Exhibitors are responsible for setting up their own stands. The locations of the stands are marked on the area map and in the exhibition area itself. Boats should be moored only at the place number provided by the Organiser. The Organiser shall have the right to inspect any such structures and order the Exhibitor to make any necessary changes to them.

In setting up and dismantling the stands, Exhibitors are expected to observe the instructions given below as well as subsequent separate instructions:

- Exhibitors may begin setting up their stands and bringing in their boats on Wednesday 13 August at 9.00 am. Guided reception of boats will end at 8.00 pm that day.
- The stands etc. must be completed and ready on Thursday 14 August by 10.00 am.
- the boats must be moored on Thursday 14 August by 10:00 the latest
- stand personnel must be on the stands no later than 10:00 a.m. each day (journalists/press have the opportunity to enter the exhibition area before the public, starting at 10:00 a.m.)
- Exhibitors may begin dismantling their stands on Sunday 17 August after 6.00 pm. The boats must be removed no later than Monday 18 August by 12.00 am. The stands must be dismantled no later than Monday 18 August by 2.00 pm.
- If Exhibitors wish to bring their boats to Helsingfors Segelklubb HSK ry (HSK) marina before the time specified or leave them there after the time specified, this must be agreed on separately with HSK Harbour Master.
- Yellow lines and the text "non parking" have been drawn on the edge of the A platform. Do not stop or park in this marked area.
- If possible, use the public boat ramps near Lauttasaari and Hernesaari to launch boats and dock structures.
- When lifting and lowering boats and pontoons into the harbor basin in the exhibition area, the distance of the vehicle from the edge of the pier must be at least 10 meters for safety reasons.
- All boats with a total weight of more than 600 kg must use springs on the mooring ropes.
- A gangway must be used for the motorboats that are moored with the stern towards the breakwater (Promenade)
- Due to safety concerns, it is forbidden to fix any structures to the moorings.
- Due to safety concerns, unobstructed pass must be ensured in the moorings and all the moorings must be kept clear of all obstacles that may block the passage of persons.
- Exhibitors may not attach any additional structures, objects, or extensions / reception areas (so-called Hospitality Decking) to the platforms without prior written notice to the Organiser.
- It is forbidden to cause damage to any fixed or removable property at the exhibition site. Exhibitors shall be liable to compensate for any damage they cause to the moorings/piers or the surroundings.
- Exhibitors are not allowed to bring their own tents to the Exhibition area.
- Any fixed structures are subject to the Organiser's prior approval.
- Each individual stand does not have its own electrical plug; a "mobile electrical unit" may be in use, from which each exhibitor draws electricity using its own extension cord. NOTE! only one plug slot is reserved for each stand in the unit (unless the exhibitor has ordered more).
- Only extension cords and adapters that are CE approved for outdoor use may be used in the exhibition stands, and each Exhibitor is responsible for the acquisition and correctness of their own extension cords and adapters, as well as for their proper protection. Each Exhibitor reserves for their own use an extension cord that meets the above conditions (minimum length 10 m).
- Transport and packing boxes - and materials must be removed from the exhibition stands at the end of the construction day and every day before the Exhibition is opened to exhibition guests; The Organiser may remove, dispose of, or transfer to the rubbish bin the materials left in the exhibition stands or area at the expense of the Exhibitor.

15. Electrical work, open fire, and smoking

An electrician appointed by Helsingfors Segelklubb HSK ry is responsible for the electrical work, electrical connections, and electricity supply in the Exhibition area; Exhibitors must not have their own electrical contractors and making own electrical connections in the area is strictly prohibited.

Under no circumstances may the Exhibitors themselves modify the electrical installations / wirings made by the electrician in the Exhibition area. If the Exhibitor makes or allows any third party to make changes to the installations, the Organiser may, at its discretion, request the official electrician of the exhibition to immediately cut off the electricity supply to that Exhibitor. The Exhibitor is solely responsible of all misuse.

The use of portable generators in exhibition stands to generate electricity is prohibited. Exhibition stands must not have electric or gas heating. Making an open fire in the exhibition area is prohibited. Smoking is not allowed in the exhibition area.

16. Transportation of goods and cleaning up

The Exhibitors shall deliver their goods and materials to and from the Exhibition site at their own cost. The Organiser shall not assume responsibility for any receipt, unloading, storage or dispatch of Exhibitors' goods or materials, whether before, during or after the exhibition.

Helsingfors Segelklubb HSK ry is responsible for the daily general cleaning of the exhibition area and the emptying of the rubbish bins.

The Exhibitor sorts the rubbish, unloads / flattens the cardboard boxes, and uses the rubbish and recycling bins found in the area. Garbage / waste is not left outside the containers. The Exhibitor will notify the Organiser if the rubbish / waste bins are full so that the bins can be emptied.

The Exhibition stand areas are to be tidied up by the Exhibitors before the beginning of the Exhibition and cleaned up after the Exhibition. Every Exhibitor is responsible for cleaning up their stands during the Exhibition; additional fee for transporting the left behind materials and rubbish from the stands and Exhibition area will be assigned by Helsingfors Segelklubb ry.

17. Getting around in the Exhibition area and loading and unloading of goods

Upon arrival at the Exhibition area, the Exhibitor's Pass must be presented at the entrance gate and must be always kept on display when moving around the Exhibition area. The Exhibitor's Pass is only officially when filled in and provided with a picture.

Under no circumstances may the Exhibitor's Pass be transferred / handed over to another. Exhibitors must notify the Organiser without delay if their identity card is lost or stolen.

If suppliers, builders, etc. subcontractors do not have an identity card in use, the Exhibitor must collect the person at the entrance gate of the Exhibition and / or arrange for the entrant to carry documents (eg bill of lading, order list) showing the exhibitor company, the stand number and contact person, and the telephone number.

Under no circumstances may goods be delivered to the area or Exhibition stand by car during the opening hours of the Exhibition. During the opening hours of the Exhibition, any deliveries to the exhibition stand must be made by hand / walking.

N O T E ! Driving a car to the exhibition area for loading and unloading goods is allowed daily only before and after the Exhibition opening hours. Cars must leave the show area no later than 30 minutes each show day. When driving in the area, follow the instructions of traffic controllers and adhere safe driving speeds. The speed limit in the Exhibition area is 20 km / h and the restriction is valid throughout the exhibition (including construction and dismantling days).

Exhibition guests who are invited to test sailings or drives by the Exhibitor, outside the opening hours of the Exhibition, must carry a completed test drive invitation form when moving around in the Exhibition area and present the invitation at the gate when entering and upon request to the area guards and / or security guards. **All guests must leave the premises of the show on Thu and Fri (14th and 15th of August) at 22.00 at the latest and on Sat and Sun (16th and 17th of August) at 20.00 at the latest.**

The Exhibitor may not overnight in the boat without prior written notice to the Organiser. Other overnight stays in the area are strictly prohibited.

18. Car parking for exhibitors

Parking areas have been reserved for exhibitors in front of the yacht club Sindbad, on the field on the seaside of Meripuistotie, and in the Oy Maritim Ab company space at the end of Veneentekijäntie. The parking areas are primarily intended for the exhibitors' CARS. THE PARKING PERMIT IS VEHICLE-SPECIFIC. The parking permit must be in a visible place in the vehicle (on the inside of the windshield).

Entry to the exhibitor's parking areas is only allowed by showing the exhibition's P-permit. Each company participating in the exhibition orders the number of P-permits it needs when registering. A limited number of parking permits can be reserved. Permits entitle the car to park in the parking area. If the vehicle/trailer does not have a parking permit installed correctly, parking will be deemed unauthorized. **Unauthorized parking will be charged the price of the parking permit + €50 (valid value added tax is added to the price).**

Opening hours of the exhibitors' parking areas: Thur-Sat 10am-8pm and Sun 10am-19pm. The parking lot is guarded during the opening hours of the exhibition.

TRAILERS: Oy Maritim Ab's parking area is primarily for CARS. If there is space in Sindbad's parking area, it is possible to store small trailers in the grass area of the parking area (larger trailers which take on multiple boats must be parked/stored elsewhere). **THE PARKING PERMIT IS PER TRAILER. The parking permit must be affixed to the trailer in a visible place (e.g., trailer fender).**

19. Security, First Aid, and Insurance

The Organiser shall provide a security service for the exhibition area and maintain general order in the area. However, the Organiser shall not be liable for any damage caused to the boats, products, structures or other materials of the Exhibitor or loss thereof.

Exhibitors must immediately notify the Organiser of any suspicious and / or possible criminal activity as well as suspicious packages or the loss, theft or damage of objects or property

Each Exhibitor shall ensure that their own conduct does not endanger themselves or others and shall take care of their own and others' safety, particularly during the construction and dismantling of the stands.

The PR-Sec Oy/PR-LANCE is responsible for the First Aid of the Exhibition. The emergency ambulance is located next to the Exhibition Office near the Exhibition entry gates and in addition an emergency foot patrol covers the Exhibition area.

If personal injury or equipment damage occurs in the Exhibition area, the Organiser at Show Office must be notified immediately.

Call the emergency number 112 when you encounter an emergency or need urgent emergency assistance on the area, or when you know or suspect that life, health, property, or the environment are threatened or in danger.

The Organiser's liability insurance shall compensate any damage caused to third parties by the Organiser's staff or equipment. However, the Organiser's liability insurance will not compensate any damage suffered by the Exhibitors. The Exhibitors shall acquire any insurance coverage deemed necessary on their own accord.

20. Exhibition safety

A rescue and first aid plan suitable for the outdoor event has been drawn up for the Exhibition in cooperation with the authorities. The plans are on display in the Exhibition Office.

The Organiser shall ensure that the general entrances and exits of the exhibition are easily accessible and meet at least the requirements of the rescue plan. The Exhibitor must keep the fairways in accordance with the rescue plan free for his own exhibition stand. The Organiser has the right to inspect the exhibition area and sections as well as to prescribe any changes it deems necessary and to remove any obstacles it deems dangerous or harmful.

During the Exhibition, the Organiser monitors the weather conditions and their changes sensory and by following weather reports / forecasts and warnings. In the event of possible severe weather or other extreme weather conditions, an emergency mode is entered if necessary.

In an emergency / emergency mode situation, all persons in the area must follow the prompts, instructions and instructions of the Organiser, the stewards, and other authorities. The Organiser is prepared to guide people e.g., megaphones and berth sound equipment. In the event of an evacuation, the exhibition stewards and other staff will instruct the audience to leave the danger using the nearest escape routes.

The Organiser has the discretion to close the Exhibition area at any time during the exhibition opening hours to ensure safety.

PIERS AND BOATS

Piers must have unobstructed access and be kept free of obstacles to the movement of people on the platforms. Baby strollers are not allowed on the piers. Strollers are to be left in storage in the pram park located in the life jacket tent during the pier visits.

When necessary, the Exhibition security personnel shall restrict simultaneous public access to docks to guarantee the carrying capacity of docks.

Access to boats must always be safe. Exhibition visitors must be instructed in the correct way to board the boat and, if necessary, be assisted by the Exhibitor in boarding the boat. Exhibitors are responsible for the health and safety of all their visitors and their own staff when they are in and around the boats in the dock area. Particular attention should be paid if the boat is accessed via a gangway.

Fire-fighting equipment must always be easily accessible and ready to use on boats. In case of emergency, exhibition boats are also used as exit routes, if necessary.

Exhibitors may not, without the prior permission of the Organiser, grow the exhibition stand with additional structures, extensions / reception areas (so-called Hospitality decking) or place any heavy exhibition material on them.

If the Exhibitor has a viewing platform built around the boats on the land stand, it must be sturdy and mounted on a level surface. Any platform / platform railings must be attached with special care. Exhibitors are responsible for the safe use of the platforms / platforms and stairs they use. Exhibition visitors must be instructed by the Exhibitor in the correct way to enter the platform / platform and, if necessary, be assisted in accessing the platform / platform.

Individual Movable Ladders, Steps and / or Stairs are prohibited for safety reasons.

LIFE JACKETS

For the children who come to the Exhibition and participate on the test sailings or drives life jackets can be borrowed from the life jacket tent run by the Helsinki Sailing Club HSK rf. The location of the life jacket tent is marked on the Exhibition area map. The Exhibitor will ensure that the boat has the required amount of life jackets for the adult visitors taking part in the test sailings and drives and, if necessary, also instruct visitors in the proper wearing of the equipment. All persons participating in the test sailings and drives must wear appropriate personal life jackets, regardless of the size of the boat.

TENT STANDS

The fabric used in the tent compartments is a non-flammable material and the tent compartments are firmly attached to their base by the tent supplier in accordance with the manufacturer's instructions with concrete weights. The Exhibitor must not make any changes to the tent structures or anchor / support other structures in the tent structures.

In extreme weather conditions, the use of the tents will be suspended, and people will be directed by the Organiser away from the vicinity of the tents and, if necessary, from the exhibition area using the nearest exit route.

21. Exhibitor Passes and Customer invitations

After paying their booking costs, Exhibitors will be provided Exhibitor Passes that entitle their holders for free access to the Exhibition area during the Exhibition. The Exhibitor Passes are intended for personal use and not for persons under 16 years. The pass must be kept on view on the premises of the show. **The Exhibitor Pass is also valid on the official construction and dismantling days of the exhibition (August 16 and August 21).**

The identity card is valid only when it is filled in properly and has a picture attached. The Organiser / representatives appointed by the Organiser (security officers, etc.) supervise the appropriate use of ID cards in the Exhibition area. The Organiser can remove the card from a person if it is determined that the identity card is not properly filled out and/or is being used by a person who is not an Exhibitor. A fee or another similar sanction determined by the Organizer may also be imposed if abuse is detected.

Exhibitors get two free Exhibitor Passes for one boat they moor in the exhibition and furthermore (from boat number two onwards) 1 pass / boat.

For stands and exhibition tents, free Exhibitor Passes will be provided as follows:

Stands smaller than 14 m² = 2 exhibitor passes
Stands between 15 - 24 m² = 4 exhibitor passes

Stands between 25 - 50 m² = 6 exhibitor passes

Stands larger than 50 m² = 10 exhibitor passes

Sub-exhibitor = 1 exhibitor pass.

Service Provider = 4 exhibitor passes.

A cost of 13.00 euros (valid VAT will be added to the price) will be charged for each additional exhibitor pass ordered.

The registration system automatically counts the number of identity cards included in the reservation. Exhibitors place an order in the registration system only for the extra ID cards they need.

Exhibitors may order customer invitations in advance at the price of 10.00 euros per invitation (valid VAT is added to the price). Customer invitations are ready-to-use as such and can be forwarded by e.g. e-mail. The exhibitor can also print the invitations they ordered in paper form if they wish. NOTE! Make sure that the printout is such that the invitation's QR code and control number series are visible and readable by inspection devices. For invitations printed by the Organizer, a printing and delivery fee is added, which is €1/invite (valid VAT is added to the price). The customer invitations will be invoiced after the exhibition based on actual use.

22. Test sailings and test drives

Exhibitors may not leave their berth during opening hours. Test sailings and rides on exhibition boats will be carried out outside the opening hours of the exhibition.

Guests invited to the test sailings or drives must have a completed invitation form with them when moving around the Exhibition area outside opening hours and it must be presented at the gate when entering the test sail or drive. Each exhibitor will print the number of invitations they need from the registration site.

Other test sailors or drivers must be taken into account during the test sailings and drives; Boats leaving and arriving at the pier, and especially the juniors of the Opti training groups of Helsingfors Segelklubb HSK ry using the harbor pool and the nearby water area. Give space to other test sailors and drivers and try to avoid leaving the dock during peak times, if possible.

The main purpose of the test sailings and drives are the controlled testing of boats, speed limits and wave formation bans must be strictly observed.

NOTE! For safety reasons, the northern water area in front of the Uiva Exhibition area towards the Lauttasaari bridge is reserved for boat runs of less than 7 m. Test runs of large boats are directed south from the port.

23. Retail Sales

Boating equipment and accessories may be retailed at the exhibition.

24. Market surveillance at the show

The Finnish Transport and Communications Agency (Traficom) will be conducting random spot checks on displayed craft, products, and equipment during boat show.

The Exhibitor shall prepare for a possible spot check by including documentation of the boats, products, and equipment; when a boat, product or equipment covered by the Recreational Craft Directive 2013/53 / EU is

marketed or sold, they shall bear the documents and markings in accordance with the Recreational Craft Act 1712/2015:

- 1) **the declaration of conformity** and the accompanying
- 2) **standard list** in Finnish and Swedish
- 3) **owner 's manual** in Finnish and Swedish; and
- 4) **CE marking**

If the displayed boat does not have the CE mark, a notice must be placed in a visible place on the boat.

If the displayed equipment does not bear the CE marking, a notice must be placed in a visible place in connection with the equipment.

If other raised products covered by the Recreational Craft Directive do not meet the requirements of the Recreational Craft Directive, they must be prominently displayed with the product.

All the above-mentioned notice forms can be found in the Exhibitor's database in when signing in at <https://ilmoittaudu.uiva.fi/> . Each exhibitor will print the number of forms they need.

25. Special Terms for Service Providers

NOTE! It is also possible to come to the Exhibition area already on the set-up day of the Show (13th of August) and serve food for the tent/stand builders and other personnel on the premises. Please contact the Organiser by mail uiva@finnboat.fi if you are interested so that the Organiser will be able to inform about the services on the set-up day in the premises beforehand.

The Uiva restaurant World is on an asphalted outside area without sewerage. Water points and sanitary facilities are located nearby the restaurant area.

Each representative of the Service Provider participates in tidying up and taking out the rubbish at the common dining area of Uiva Restaurant World.

The Organiser requires that every Service provider reserves enough weights and/or other equipment to safely moor their sales tents/stands in all (weather) conditions. Service provider is held responsible and accountable for all the costs from the possible damages caused by insufficient mooring of the sales truck/tent/stall.

Open fire is prohibited in the exhibition area without permission. All Service Providers handling open fire and/or gas equipment must have sufficient fire extinguishers at hand (incl. at least an extinguishing cover/blanket and a 16 kg 27A 144BC fire extinguisher which has been inspected within a year).
